

## Gemini Pickups

Wiring for two Magick Series Humbuckers with 2 x vol, 2 x tone and 2 x push-pulls (or mini toggles).

Colours:

Red – live

White – Tapped Live (Shown Yellow).

Green – Earth

Black – Tapped Earth

Bare – Earth

Live sides of both pickups tapped together on opposite sides of same push pull switch.  
Earth sides of both pickups tapped together on second switch

Two designed sounds:

Live tapped, Earth Full – Std Single coil

Live full, Earth tapped – Std HB

Two Extra Sounds:

Both tapped – Extra bright Single Coil

Both Full – Heavy HB

Further wiring diagrams available from website.
